D&B RATING GLOSSARY

The following ratings are available for businesses in Peru:

D&B Rating - The D&B® Rating in Peru consists of 2 parts, the Financial Strength Indicator and the Risk Indicator. The Financial Strength Indicator is based on Net Worth of a current fiscal balance sheet. The Risk Indicator reflects D&B's opinion of the risk associated with trading with a specific business, notably the likelihood of business continuance or failure over the next 12 months. The table below contains the values for the D&B Rating in Peru.
